

Occupational Therapist

Pacific Health and Wellbeing
Nundah, QLD
Full time

About us

Pacific Health and Wellbeing are an allied health practice of dedicated **occupational therapists, speech pathologists** and **physiotherapists**.

We are a **registered NDIS provider** in Brisbane, the Gold Coast, and Darwin, offering our clients a **mobile community service, telehealth, and in-clinic appointments**.

Our Vision is to be the leading provider of disability and community allied health services, improving lives while building valued and sustainable partnerships with our clients and stakeholders.

Our Purpose is to work together to enable people of all ages with a disability to live the life they choose and achieve their goals, to improve their wellbeing, and to live better through participation in everyday life.

Your next opportunity

As our services continue to grow and our current fantastic team is in high demand - we now wish to appoint another full-time **Occupational Therapist** to our **Brisbane** team!

About the position

- Provide high-quality, ethical and safe occupational therapy services across the lifespan
- Assess and collaborate with our clients and stakeholders to identify and implement therapy programs in a meaningful and creative way
- Assess and prescribe home modifications and assistive technology to enable increased safety, independence or quality of life
- Complete assessments and reports that support life transitions and goals attainment
- Communicate with key stakeholders to support client outcomes
- Engage in professional development opportunities to support professional growth and best practice service delivery
- Participate in identifying new client opportunities and referrals.

PO Box 464, Nundah QLD 4012

What we offer

We are a cohesive, easy going, and supportive MDT with a focus on safe, ethical and quality practice. We like the input of all team members to make sure we are heading in the right direction, to continue to grow as a provider and that we continually demonstrate **our values** of quality and safety, integrity, excellence and accountability.

- Salary that aligns with your post grad OT experience + super
- An SUV motor vehicle for work and private use, with all fuel and services paid for by us. It's not a pool car, and you don't return the car on weekends!
- Professional development allowance and professional development leave
- 38hr flexible working week, with a mix of office and being out and about seeing clients, with no weekend or public holiday work
- Laptop and smartphone, and OT 'tools of the trade' and resources
- Supervision, and peer support and review processes
- Professional indemnity insurance
- Personal training sessions paid for by us (if that's your thing!)
- New, modern office close to great cafes and other facilities, parking available, own desk (no hot desking!), with a large clinic room available for some onsite F2F in-clinic appointments.

About you

- Proven goal-oriented and person-centered approach and mindset
- Excellent communication and computer literacy skills
- Positive outlook and self-motivation to engage with our clients and external stakeholders
- Working knowledge of the NDIS (preferred)
- Mixed caseload experience (preferred, but not essential)

You will need:

- Tertiary qualifications in Occupational Therapy
- Registration with AHPRA
- NDIS Disability Worker Screening clearance, or an ability to obtain
- Working with Children Check, or an ability to obtain
- Current drivers' licence
- Unrestricted rights to work in Australia
- Be fully vaccinated against Covid-19

How to apply

If you would like to join our professional yet easy going team of clinicians, we want to hear from you!

To apply, please click the '**APPLY**' button and attach your CV and a cover letter sharing with us why you would like to join us.

Pacific Health and Wellbeing are an Equal Employment Opportunity (EEO) employer and are committed to building a workplace culture which values diversity and inclusion. *We know that a diverse workforce contributes to better business and health outcomes.* We welcome, actively support and promote the employment of people with disability, Aboriginal and Torres Strait Islander peoples, LGBTQIA, Culturally and Linguistically Diverse (CALD) backgrounds and other diversity groups.

*If you would like to know more about this position, or other opportunities for OT's or Speech pathologists (any level of experience) we have in **Brisbane**, on the **Gold Coast** or **Darwin**, don't hesitate to make contact at kate.carr@pacifichw.com.au*
